A member of the public asked about the desirability of drafting a Neighbourhood Plan (NHP) when it would not be completed in time to prevent current development in the village. Cllr Bavington-Lowe explained that the Plan was not intended to prevent development but to provide evidence for what the community wanted and as such was a document which would be used in the long-term.

10.4 **Neighbourhood Plan Update:** Cllr Bavington-Lowe reported on the progress of the NHP. Since the last meeting of the PC, there had been two meetings of the Steering Group at which terms of reference and a logo were agreed and a consultant hired to provide advice, support and expertise on the planning sections of the NHP. The Steering Group also had an information stall at the recent plant sale in the Market Place and would have further stalls during the Garage Sale Trail and at the Open Gardens. Diana Maywhort, the village history recorder, had agreed to sit on the Steering Group.

11. Progress Reports:

11.1 Chairman's Report:

- The Litter Pick had been well supported and it was reassuring to find that there wasn't a significant amount of litter.
- The final visit from the Corn Hall on Tour to the Village Hall was a sell out.
- He had attended the Police Commissioner's meeting at Eye Town Hall to receive an update on policing in the county.
- There was an archaeological dig at four sites in Botesdale last week, organised by Cambridge University.
- He attended the funeral of Brian Chandler, the local history recorder for the village.

11.2 Clerk's Report:

- SCC's contractor dug a trial hole near the Blue Orchid and found evidence of a sealed brick culvert downstream but nothing upstream. There was no obvious source of the water which came out at this point during periods of heavy rain. Rather than just backfill the excavation they constructed a soak away with a pipe running into the highway gully nearby and it was hoped this would fix the problem.
- There had been a delay in the design of the footpath map display but SCC hoped to pick it back up in mid-May.
- The quote for street lights 14 and 15 on Bridewell Lane was £7,789.48. This was high due to the need to close the road and also extend the power supply in order to move the street lights to their new locations. The PC had already agreed to carry out the work and therefore RESOLVED, with all agreed, to accept the quote.

12. Correspondence:

12.1 **Parkview Chapel:** The PC noted the request for a road sign on the opposite side of The Street pointing to the Chapel as some attendees had difficulty finding it. The Clerk had contacted SCC who said there was a move to reduce the number of signs on our streets and if the facility could be seen from the road, it would be argued that a sign wasn't needed.

12.2 **Footpaths and Streams Project:** Following on from the request for funding for the Community Payback Team, it was agreed to pay for the materials for their visits, estimated at around £35.

12.3 **County Cllr Fleming:** Cllr Fleming would be setting up a meeting with SCC's Development Contributions Manager, Neil McManus, to discuss concerns about the accumulative effect of new development on the community. Councillors from Redgrave, Botesdale and Rickinghall would be invited.

13. General Items:

13.1 **Appointment of Trustees for Fairstead Charity:** The PC RESOLVED, with all agreed, to appoint Peter Beck, Lottie Clements and Simon Gowen as Trustees to the Fairstead Charity for a further four year term. In addition, it was noted that Richard Green had retired as Trustee and the PC RESOLVED, with all agreed, to appoint Philip Miles as a new Trustee to serve in the role of Treasurer.

13.2 **Annual Parish Meeting on 3 April 2017:** The DRAFT minutes of the meeting were noted by the Council and acknowledged by those councillors present as a true record. There were no matters arising from the meeting.

It was RESOLVED, with all agreed, to use the same printers as last year at a cost of £218.50. It was also RESOLVED, with all agreed, to distribute the magazine through the parish magazine at a cost of £35. It was agreed to put a photograph of the new play equipment on the cover if timing allowed.
- 13.4 **Play Area:** The Clerk reported that the work to the play area was likely to take place in the next 4-6 weeks. The contractor had quoted £1,102.75 for replacement fencing on the south boundary and repair on the roadside boundary and the PC RESOLVED, with all agreed, to accept the quote.
